LAND KITCHEN  
DIGITAL CATALOGUE

La prima cucina outdoor di Poliform, progettata in collaborazione con CAP., si compone di una serie di moduli agganciati su travi longitudinali che la fanno sembrare sospesa. Lineare ed essenziale, è disponibile nelle due versioni a parete o free-standing, e realizzata in alluminio, Inalco MDi e acciaio, materiali ideali per l'uso all'aperto. La cucina outdoor non necessita di alcun collegamento elettrico, perché tutte le funzionalità sono alimentate a gas o tramite batteria, ed è attrezzata con lavello, tagliere e barbecue.
