SOFAS COLLECTION

Poliform

Con le sue linee curve e le forme morbide, Orbis disegna all'interno del living uno spazio intimo e accogliente. La collezione si compone di due divani e una poltrona dallo schienale avvolgente, perfetta sintesi tra design moderno e tecnologia contemporanea. Sia nei divani che nella poltrona la seduta, sollevata da terra da un piedino sottile ispirato alle lavorazioni della gioielleria, è confortevole e invita alla conversazione.

With its curved lines and soft forms, Orbis designs an intimate and cosy space within the living room. The collection consists of two sofas and an armchair with an enveloping backrest, a perfect synthesis of modern design and contemporary technology. In both the sofas and the armchair, the seat, raised off the ground by a thin leg inspired by jewelry workmanship, is comfortable and invites conversation.
