

PILLOWS INSERTS

Pillow in Dacron DuPont

Padding in aerating polyester. Hygienic, anti-allergenic and easy to maintain. This pillow offers a pleasant sensation of softness and comfort, adapting to head and neck and returning to the original shape in a slow way. 100% cotton pillow case, removable and washable.

Pillow in goose feathers

Padding in goose feathers 100%. Thanks to the high ventilation temperature will remain static throughout the night. It absorbs humidity and lets exceeding heat evaporate. 100% cotton pillow case, removable and washable.

Pillow in goose eiderdown

Padding in 80% goose eiderdown and 20% white goose feathers. Thanks to the high ventilation temperature will remain static throughout the night. It absorbs humidity and lets exceeding heat evaporate. 100% cotton pillow case, removable and washable.
